Best Practice Activities

2023-24

The Colleges' Youth Red Cross team under the Team Red Cross of Govt. Dr. W.W. Patankar Girls' PG College, Durg has tie-ups with 100 Anganbadis of local areas of Durg district. The 20 female student members of Colleges' Youth Red Cross under the leadership of Dr. Reshma Lakesh, Asst. Prof., Dept. of Home Science along with the nearly 200 members of Colleges' Team Red Cross are actively involved in participating and contributing towards antenatal and postnatal care of pregnant women; care of newly born infants and nursing mothers; immunization & nutritional care of all children below 6 years of age; monitoring regular health & medical check-ups of rural women and children.

The Government of India under its flagship ICDS program established Anganbadis to promote health awareness in pregnant and nursing mothers and their newly born and infant children. The well-trained student members of Colleges' Youth Red Cross impart education and tips to pregnant / nursing mothers and infant kids about nutrition and personal hygiene. They also provide primary level teaching to these infant kids.

The Youth Red Cross of College has managed to create much buzz through their activities so much so that it has managed to establish tie-ups with as many as 100 Anganbadis of local areas of Durg district. This feat achieved by the College students is a tremendous achievement and qualifies as Institutional Distinctiveness as per Colleges' belief.
