RESEARCH POLICY DOCUMENT

GOVERNMENT DR. W.W. PATANKAR GIRL'S PG COLLEGE

ACADEMIC SESSION: DRAFT 2022-2023

Government Dr. W.W. Patankar Girl's PG college has policy related to Research & Development to support & promote its academic staff and students to carry out and participate in research & development activities across all programmes in college.

The IQAC meeting held on 03.11.2022 has proposed the directives as follows:

- To start Research Centre for the department in which Teachers are recognized research supervisors from Hemchand Yadav University, Durg.
- To increase the number of publications in reputed journals specified in UGC CARE list etc.
- To enhance participation of teachers in Conferences of National & International Levels, Seminars, workshops, symposiums.
- Incentives to academic staff to be resource persons/ invited speakers in reputed conferences/seminars/workshops.
- To organize seminars, conferences, symposium, workshops in upthrust research areas and research methodologies, where all support will be provided to the staffs in terms of infrastructure & College resources.
- To motivate students to carry out short term research projects and helping them to publish outcomes in journals and to support financially with College Aid.
